POWERED BY LENMAR®

PowerPort™ Flash

2x USB Portable Battery & Charger with Flashlight

The PowerPort Flash from Lenmar is a compact, easy to use battery, charger and ultra-bright LED flashlight. Its dual USB ports provide the capability to power two portable electronic devices. What's more, the integrated DC car adapter keeps the Flash's internal battery charging while on the road – so you can continue powering your portable devices anytime, anywhere.

Features:

- Built-in LED flashlight is extremely bright for dark evenings or power outages
- Simultaneously charge & power 2 USB-connected devices to stay productive wherever you are
- Compact, lightweight design – car adapter plug rotates to fit in virtually any auto console or dashboard area
- Charges via integrated DC car adapter or using the included micro USB to USB cable to keep your portable devices up and running
- Handy LED battery meter shows the current charging status and remaining battery capacity
- 1 year warranty

Model: PPUALF1

Available colors: black

General Specifications:

Cell type: Lithium-Ion Battery
Input USB: DC 5V, 500mA
Input Cigarette lighter: DC12-24 V
Output Battery: DC 5V, 500mA
Output: Cigarette lighter: DC 5V, 1A
Capacity: 2000mAh
Dimensions: L85 x W61 x H30mm
Weight: 116g
Flashlight Illumination Time: Approx. 40 hours.
Includes built in over current protection programed into the IC.

Safety Standards:

FC CE Li-Ion RECYCLE 1.800.822.8837 USB DC Travel Ready
